

# Woodriver Elementary Science Fair 2024

Dear Students, Parents, Guardians, and Family Members:

You are cordially invited to participate in Woodriver's annual Science Fair.

Please pick up a Science Fair packet from the office or download a PDF version from Woodriver's Science Fair website: [wolfpups.org/science-fair.html](http://wolfpups.org/science-fair.html)

The Science Fair is an opportunity for all students to learn more about science by investigating a student selected topic of interest and completing a project. Families and siblings are encouraged to work together. Project entries are categorized into six major divisions: Experiment, Demonstration, Science Report, Science Collection, Invention, and Computer Coding. Please visit our school's Science Fair website for links to hundreds of Science Fair project ideas.

The students will complete a traditional tri-board display. Please see the reverse side for free display boards and community support.

Tri-board Science Fair projects need to be brought to Woodriver's MPR for display, before school (8:30 to 9:15 AM) on **Thursday, February 29<sup>th</sup>**. The students will need to pick up their displays on Friday, March 1<sup>st</sup>, after school, at 3:45 PM.

The Science Fair is an incredible opportunity to explore a topic of interest and share your findings with the entire school and community. Everyone is strongly encouraged to participate. All participants will receive a certificate, participant ribbon, and a button. Winners will be selected in each category and they will receive ranked ribbons. The top contestants will advance to the Interior Alaska Science Fair competition, held at Pioneer Park, March 20<sup>th</sup> to 23<sup>rd</sup>.

If you are interested in participating in the Science Fair, please **pick up a Science Fair packet from the office**, complete the application in the packet, and submit it to the Science Fair collection envelope, located at the office, by Friday, **February 2<sup>nd</sup>**. Thank you.

We need judges for the projects. Judging will occur on Thursday, February 29<sup>th</sup> from 9:30 AM to 1 PM. **Please complete and return the form below if you can volunteer as a judge.** Thank you.

Sincerely,

Rob Kinder, Science Fair Coordinator
