

# ***STAN LEE***

Biography Title: "Who Is Stan Lee"

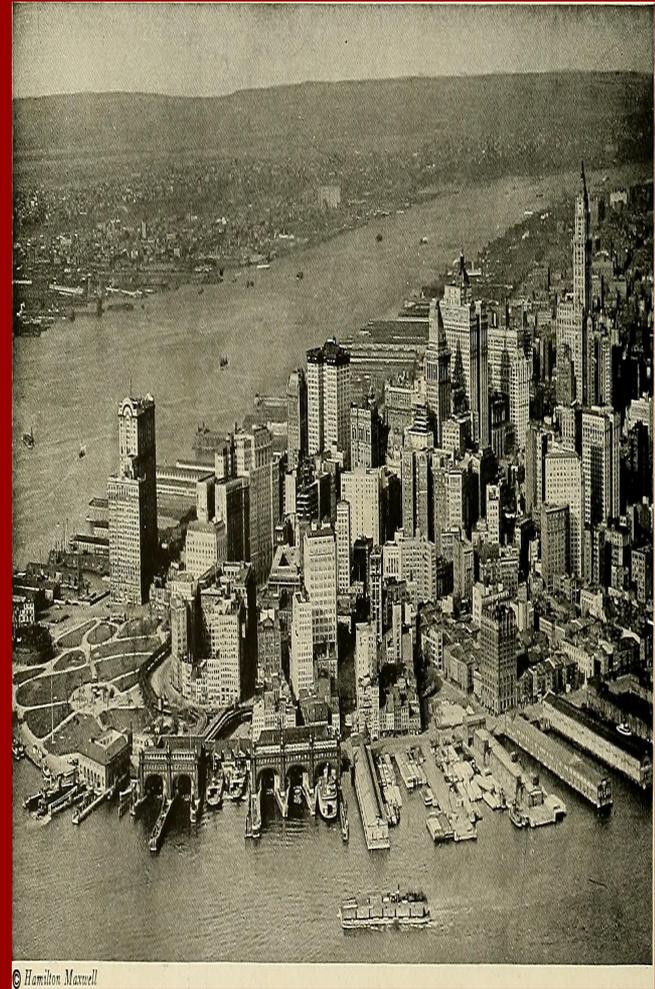

A report by: Landon W.

Date Due: March 5, 2018

Born: Dec 28, 1922 - Present

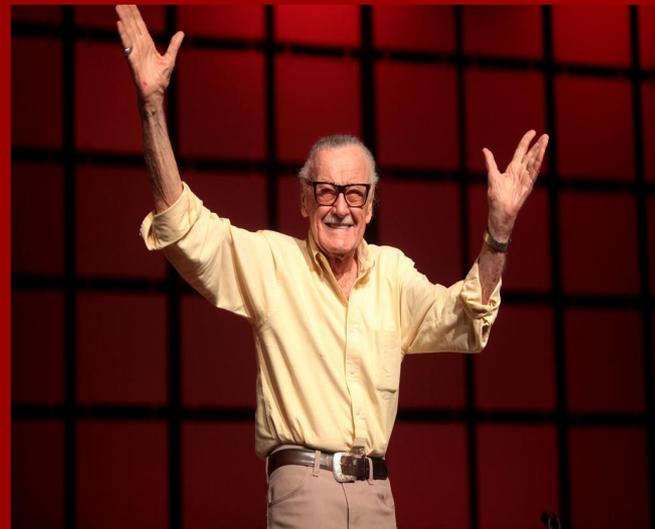

# Setting

Stanley Lieber was born on December 28, 1922. His parents Jack and Celia immigrated from Romania to live in the U.S. They lived in a tiny house in New York. His mom made him study a lot so it could get him out of school early, and he could get a job to make money for the family. At age sixteen he graduated from DeWitt Clinton High School. He also skipped college to get a job because he needed to continue working. After he graduated he got a job at Timely Comics owned by Martin Goodman. While he was there he made his first comic, Captain America and created Fantastic Four in 1961. In 1962 he created Hulk, X-men, and Spiderman.

# Physical and Characteristic Traits

- Stan Lee is not very tall (5ft 11in)
- Stan Lee has a big white mustache
- Stan Lee wears very large glasses
  
- \*Stan Lee is super creative\*
- Stan Lee is a brave person

\*Stan created heroes that all had different powers and were original characters. I think only a creative person would be able to achieve that.\*

# Text to Self

## Similarities

- We both like to draw pictures
- We are both artistic
- We both have excellent imaginations

## Differences

- His family are immigrants and mine are not
- He met the president and I have not
- He's a millionaire and sadly I am not (maybe one day)

# Major Accomplishments

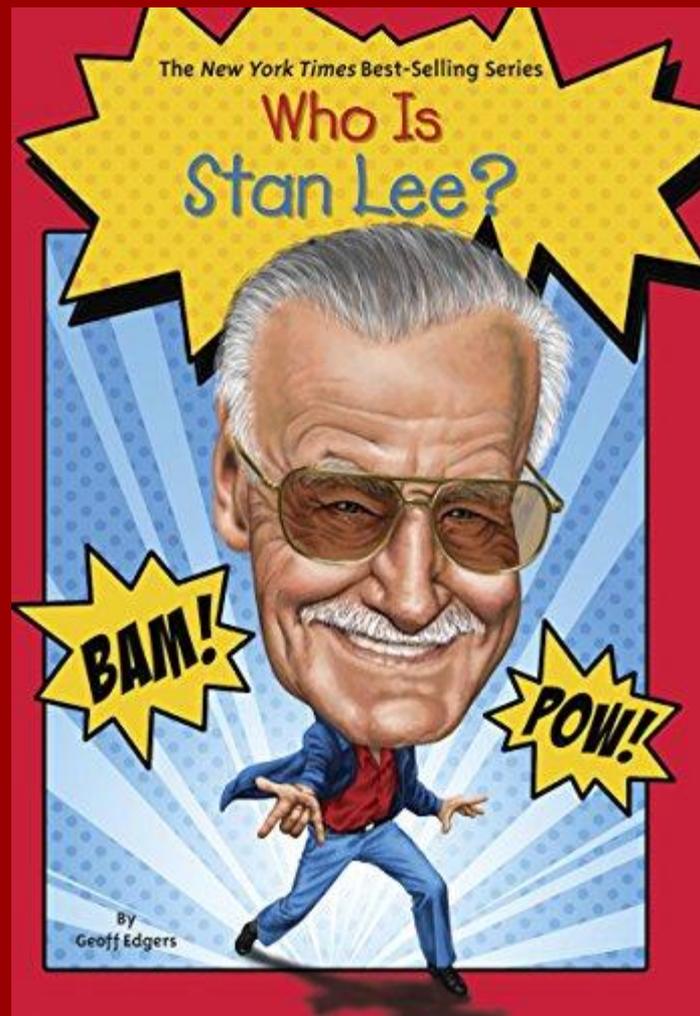

- \*He was the creator of Marvel\*
- He made tons of exciting comics
- Wins the American National Medal of the Arts
- Gets a star on the Hollywood Walk of Fame
- Reaches a \$10 million settlement with Marvel

\*Since he was the creator of Marvel, he was very famous and that was what people knew him best for.\*

# Book Recommendation

I will give this book a two thumbs up! It explained everything in detail from the beginning of Stan Lee to what Stan is now! It said all the years that each comic was published and was very detailed about everything in his life!

Thank You For Listening!
