

# Ancient Egypt: Test Study Guide

## Synopsis

The test is divided into three sections:

1. Ten multiple choice questions
2. Five matching questions
3. Ten true and false questions

The test is open notes and closed book. Students are expected to use their four homework assignments and the Egypt handouts on the test. Students may use handwritten notes that they created on the test. Students are encouraged to write notes from the textbook, beginning with the vocabulary words and definitions.

The test will be on Tuesday, November 15<sup>th</sup> (Blue Team) and Friday, November 18<sup>th</sup> (Gold Team).

## Multiple Choice Topics
