

# Plant Growth Chart

Name \_\_\_\_\_

Plant # \_\_\_\_\_

Planting Date \_\_\_\_\_

Describe what you did to plant the seeds.

Week #1 Date \_\_\_\_\_

What do you notice about your plant (roots, stems, leaves, flowers, soil)?

How long is the longest visible root? \_\_\_\_\_ centimeters

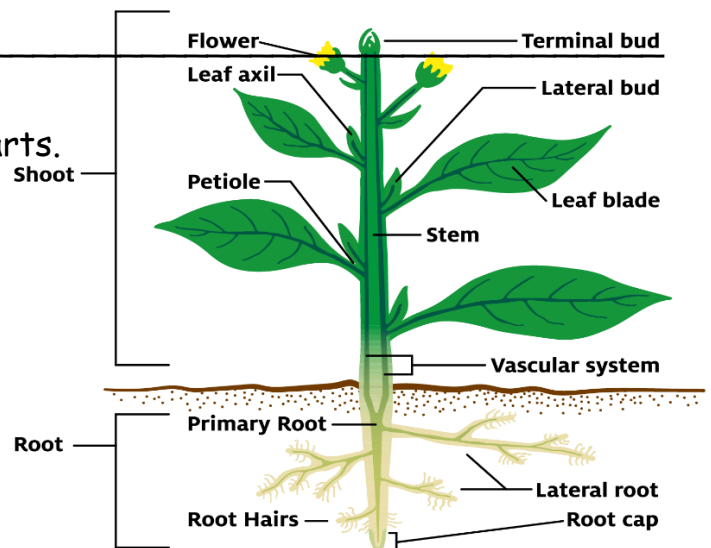

How long is the longest stem? \_\_\_\_\_ centimeters

How much sun do you think your plant received this week? \_\_\_\_\_ hours a day

CIRCLE: Do you think your plant needs **more**, **less**, or **about the same** amount of water?

Will you do anything different to help your plant grow? Please explain.

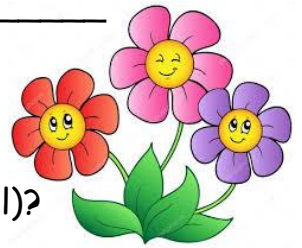

Draw a picture of your plant. Label the plant parts.
