Hello Future Ryan Middle School Student,

Would you like to have a little extra time to prepare yourself before starting the next school year? How about an opportunity to become more familiar with your school and some of your classmates and teachers before school starts? You have the chance to do both through the Summer Jump Start Literacy Camp coming in August 2022.

What is the Summer Jump Start Literacy Camp? This camp is a week-long opportunity to learn new strategies that will prepare you for middle school while interacting with interesting topics and ideas. Jump your way to the top as we practice reading in a whole new way, through activities and games designed to help you become an expert about your own learning. Your teacher recommended you for the camp because they thought you would enjoy the opportunity to boost your reading, writing, and thinking skills before the full school year starts.

When is the Camp? The Summer Jump Start Literacy Camp happens August 1, 2022 through August 5, 2022. We meet at Ryan Middle School from 9:30am to 2:00pm with lunch included. There is no cost for the camp.

How do I sign up? Signing up for the camp is easy! Just fill out the attached form and return to your counselor. We'll send you more information once you sign up and give you a call at the end of July to remind you.

Please return your form by May 18, 2022 to secure your spot. If you have any questions about the camp, please contact Rhonda Harvey at rhonda.harvey@k12northstar.org. We look forward to hearing from you soon.

Sincerely,

Heather Stewart
