3rd Quarter January 4 th to March 11 th	Gravity and Astronomy	China and India
4th Quarter March 22 nd to May 13 th	Science Experiments	Greece and Rome

Expectations

1. Actively participate in all class and small group activities.
2. Bring your textbook*, spiral notebook, unit packet, pencils, and all other required materials. You may use all your notes on quizzes and tests. Complete the study guides.
3. Do not touch anything inside the desks or lockers, except red pencils, as directed.
4. Consistently follow all safety procedures and carefully follow directions.

Grades and Homework

1. Homework will usually be limited to preparing for tests and optional extra credit.
2. If you miss a class with an excused absence, you normally will NOT need to make up the work that you missed. It is your responsibility to copy notes and/or read the textbook for the materials you missed to prepare for the quizzes and tests.
3. You will regularly receive grades for class activities and/or participation.
4. Regularly check your grades in PowerSchool and the visit the Sixth Grade website (wolfpups.org) for handouts, videos, and resources.
